Fiscal Management

Fiscal Management Goals/Priority Objectives

The School Board recognizes that money and money management comprise the foundational support of the Southeast Technical College program. To make that support as effective as possible, the Board:

- encourages advance planning through the best possible budget procedures
- will explore all practical sources of dollar income
- will guide the expenditure of funds so as to extract the greatest educational returns
- expects top-quality accounting and reporting procedures
- will maintain the highest level of unit expenditure needed to provide high quality education within the ability of the community to pay.
