School Board Governance and Operations

Elections

The annual school election shall be held between the second Tuesday in April and the third Tuesday in June. The School Board shall set the election date no later than the first regular meeting in January. The election may be combined with the annual municipal election whenever possible. Members of the Board elected at such election assume their duties of office on the second Monday in July. All newly elected Board members must subscribe to an oath of office to be filed in the business manager’s office.

No candidate for elective Board membership may be nominated unless he/she is a resident voter of the School District and unless a nominating petition has been filed on his/her behalf with the Business Manager of the District in accordance with the time tables established for the current election year. A formal declaration of a candidacy shall be signed by the candidate before the circulation of the petition. The petition shall be signed by not less than twenty registered voters of the District. Petitions must be circulated within the scheduled time tables for the current election. There shall be added by either the signer or the circulator the signer's place of residence and date of signing. The petition shall be verified under oath by the person circulating it. The filing of the nominating petition shall constitute nomination and will entitle the candidate to have the candidate's name placed on the ballot for the term the candidate specifies only upon verification signed by the Business Manager that the nominating petition contains the minimum number of signatures and that the candidate is a resident voter.

No election will be held if only one nominating petition is filed for each Board vacancy to be filled and if there are no other questions to be submitted to the voters.
