Southeast Tech
Academic Program Overview
EXECUTIVE SUMMARY

Purpose:
To provide the School Board an opportunity to learn more about the Academic Programs offered by Southeast Tech, to learn more about the departments and services we provide for students and to have an opportunity to meet faculty, staff and students.

_____

Southeast Tech offers 57 AAS Degree and Diploma programs which are divided into 8 Institutes. We also offer students a variety of support services which are housed within a number of departments on campus.

Over the course of the next year Southeast Tech administration, faculty and staff will provide the School Board with a series of reports which highlight and celebrate the programs and services we provide for students. We will also highlight the role that our graduates play in meeting the workforce needs of the region.

_____

Administrative Recommendation to School Board:
To acknowledge the Academic Program Overview Report.

Academic Program Overview
Southeast Tech: This Is Our Story

Over the course of the next year, our campus community will provide the School Board with a series of reports which highlight and celebrate the academic programs and support services we offer students. We will also highlight the role that our graduates play in helping to address employer's workforce needs. In keeping with the Institute's Strategic Vision: _Educational excellence for tomorrow's workforce_, these reports will demonstrate to the board the manner in which we are fulfilling that vision.
