Academic Affairs Update on Fall Semester Start
EXECUTIVE SUMMARY

Purpose:

To provide the School Board with an update on Academic Affairs and the status of classes for the fall semester.

The Academic Affairs Leadership has been working diligently to review our protocols for the start of the fall semester. It is our intention to have a traditional face-to-face start for the fall semester with students working hands on in the classroom. We want to provide the Board with an update on steps taken to ensure that we are able to start courses and provide a safe and healthy environment for our students, faculty, and staff through out the entire semester.

Administrative Recommendation to School Board:

We are asking for the Board to acknowledge the Academic Affairs Update on Fall Semester Start Report.
