

DRUG SCREEN INSTRUCTIONS

Southeast Technical College requires drug screens for all students entering programs in the Health, Human Services and Veterinary Technician programs. This is to ensure a safe clinical or practicum environment for both students and the public and to meet the contractual requirements of area healthcare facilities. You can use any facility of your choice to do the drug test, as long as the results are sent directly to Southeast Tech. For your convenience, here are some options in Sioux Falls, Rapid City, Huron, Spearfish and Watertown.

- This is a self-pay drug test.
- Drink no more than 40 oz of water within a three-hour period prior to the testing.
- Bring a photo ID with you.
- Choose any facility in your area that can do a Non-DOT 5 panel drug test.
