# STC OPENS Healthcare Simulation Center

The Healthcare Simulation Center is Southeast Tech's newest state-of-the-art learning facility. Built as a mini hospital, the simulation center provides healthcare students with immersive, hands-on learning experiences. The center is equipped with advanced simulation technology, including high-fidelity simulator manikins, virtual reality systems and interactive learning modules. Because of partnerships with Avera Health, Sanford Health, Forward Sioux Falls, the Sioux Falls Development Foundation and the support of Gov. Kristi Noem and the State of South Dakota, the Healthcare Simulation Center is a great example of public and private organizations working together to fill a community need.
