

Policies and Regulations

Policy STC 731

Personnel

Professional Research and Publishing

Copyright/work for Hire

Southeast Technical College shall own all copyright and other proprietary rights to all instructional materials, training materials, curriculum and lesson plans, and any other materials developed by an employee while working for or supervised by STC for use in performing the services required by the employee's position with STC.

Royalties

No employee may receive royalties on books, computer software, or other materials authored by the employee not covered by the above, which are purchased by STC during the person's tenure with STC.

Employees may not render any commercial service to STC on a commission basis.

Legal Reference: 13-20-2.1 - Interest of school district officer or employee in sale of school equipment as misdemeanor
