

2026 SUMMER SCHOOL FINANCIAL AID APPLICATION

This form can be used for either private education loans or federal financial aid. If you intend to use federal aid for summer 2026, the 2025-2026 Free Application for Federal Student Aid (FAFSA) must be completed (www.fafsa.gov) and will be used to determine your 2026 summer financial aid eligibility. Please read this form carefully.

Eligibility

Financial aid eligibility for summer classes:

- Be enrolled at least half-time (6 or more credits required for major) (federal aid only)
- Be enrolled in a degree-seeking program
- Be in good standing academically and with federal student aid programs (you must pass classes taken in the interim).

If you decide to receive federal financial aid in the summer 2026 it will impact your funds availability for the 2025-2026 academic year (summer loans come from your fall 2025 – spring 2026 loan eligibility).

I will be enrolled in **summer '26** courses (**all blanks must be completed**):
