Southeast Technical College will comply with State law governing public agency procurement for public improvements.

Awarding Contracts
The Sioux Falls School District School Board shall award all construction contracts pursuant to Policy DJE.

Contracts with Architect/Engineer
Where required by State law, a separate contract shall be signed for each project with the architect/engineer selected by the Board. The contract shall include statements outlining specific Sioux Falls School District requirements and procedures which must be followed by the architect/engineer.

Insurance
Each principal contractor and all sub-contractors shall carry workers Compensation and Employer’s Liability Insurance, as required by laws of the state in which work is to be performed, for protection of architect and owner.

Each purchasing agent shall provide in the contract that the contractor is required to pay all contributions required for unemployment compensation.

License
All contractors must have a contractor’s excise tax license issued by the State.
