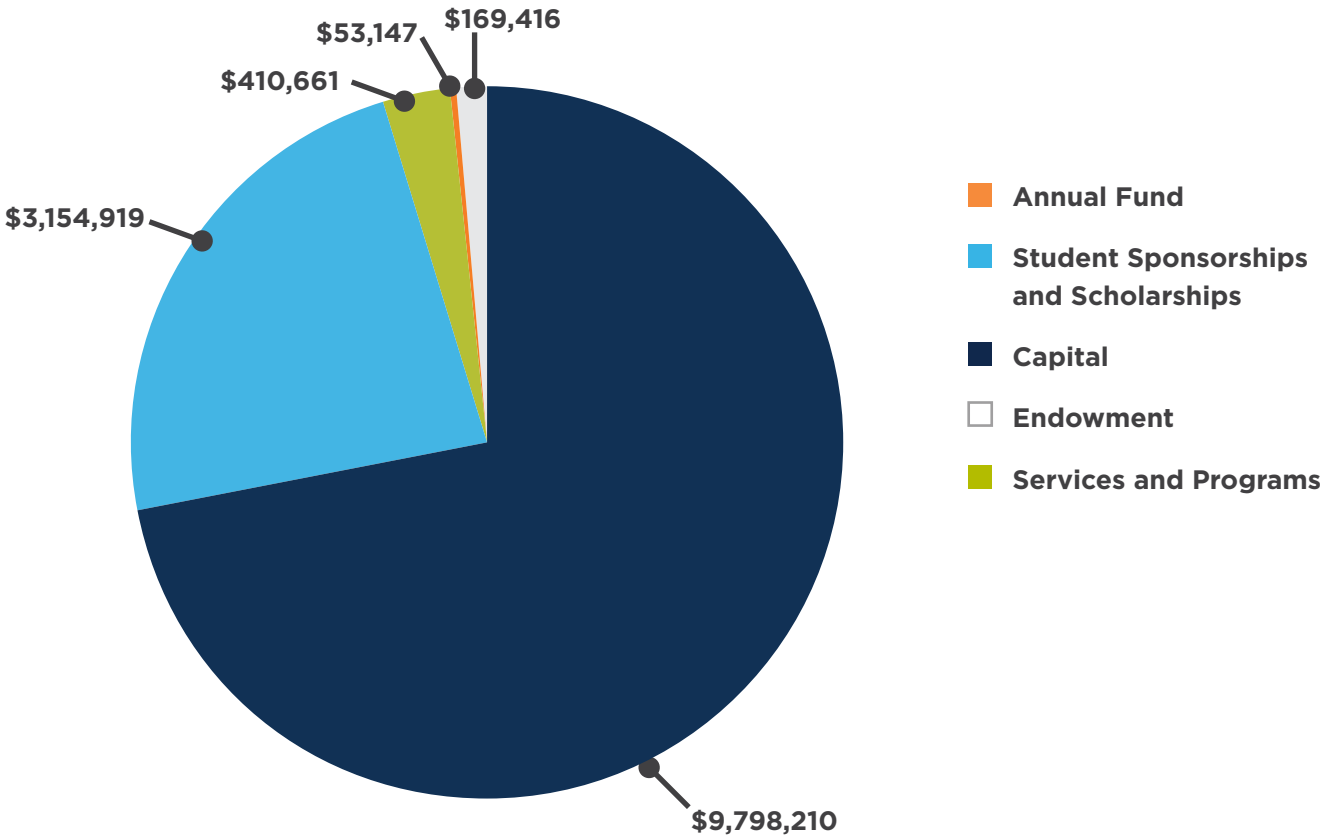
Total	**$13,586,353**

What gifts are not included in the annual report?

- New Pledges
- New Estate Planning Gifts that have not come to fruition
- Interest earned on the endowment; we only count what is actually drawn to support a donor's wishes



TO OUR DONORS

We are deeply grateful for the public and private support of Southeast Technical College. Over the past three years, we have experienced remarkable growth in support of our mission and the students we serve.

We are proud to report that 2025-26 was a record-breaking fundraising year for the College. This achievement, combined with another record-setting year for the Build Dakota Scholarship program and continued enrollment growth, demonstrates that STC is thriving and expanding at a time when many institutions nationwide are facing enrollment challenges.

As Southeast Technical College looks ahead to celebrating its 60th anniversary in 2028, we remain committed to meeting the workforce needs of our region and helping address the challenges facing employers across South Dakota. Thank you to everyone who has invested in the success of our College, our students, and our community.

Stephen Williamson
Associate Vice President for External Relations
and the STC Foundation
