EX OFFICIO NON-VOTING
Foundation Associate
Southeast Technical College

2023-2024 TOTAL GIVING: \$13,436,286

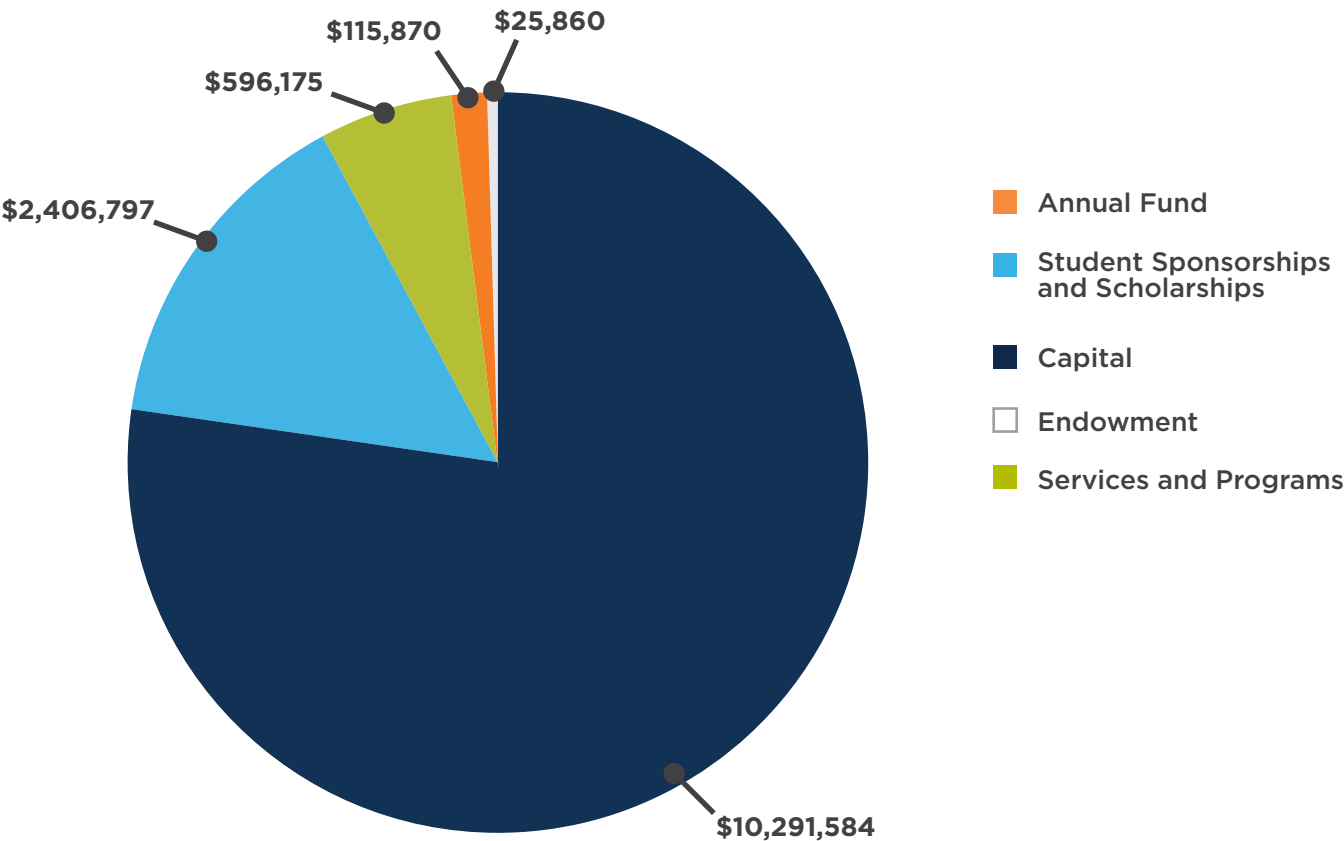

What is included in the \$13,436,286?

- A One-Time Cash Gift
- Pledge Payment
- Sponsorships
- Grants
- Matching Gifts
- In-Kind Gifts
- Endowment Draws
- New Gifts to an Endowed Fund
- Estate Gifts that Come to Fruition

Annual Fund	\$115,870
Student Sponsorships and Scholarships	\$2,406,797
Capital	\$10,291,584
Endowment	\$25,860
Services and Programs	\$596,175
	\$13,436,286

What gifts are not included in the annual report?

- New Pledges
- New Estate Planning Gifts that have not come to fruition
- Interest earned on the endowment; we only count what is actually drawn to support a donor’s wishes

TO OUR DONORS:

Fiscal year 2023-24 was a record setting year of support for Southeast Technical College:

- Led by Kelli Rogotzke, Build Dakota Coordinator, the College had a record number of Build Dakota Scholars with all recipients having an industry sponsor. The Build Dakota program is one of the most progressive state financial aid programs in the country.
- We had a record number of scholarships to support students.
- The new Healthcare Simulation Center opened in January 2024 because of the unprecedented support of the healthcare industry, Forward Sioux Falls, and the State of South Dakota.
- Overall support of the college was more than \$13 million, which exceeded all giving to the College 2019-2023! This was done by hard work from college leadership working in concert with the Foundation and local leaders.

The STC Foundation is first foremost devoted to the students at Southeast Technical College. We are committed to supporting all students, breaking down barriers and improving access. The College and Foundation realizes that as the Sioux Falls metro continues to grow, we have a responsibility to listen to the needs of workforce, be a significant player in that growth, and partner with the Sioux Falls Community and Southeast region of South Dakota to answer the call to meet challenges.

Lastly, change is inevitable, and we are thankful for the eight years of service that former President Bob Griggs provided to the College and Foundation. We are equally excited to welcome Dr. Cory Clasemann as the new president to Southeast Technical College.

We are thankful for every donor dollar to the College and the Foundation, and we hope you will add your name to next year's annual report.

Cordially,

Stephen Williamson
Foundation Director

“For more than five decades, Southeast Technical College has been accelerating the economic growth of our region through innovative, career-focused programs that prepare today’s students to become tomorrow’s industry leaders. The Sioux Falls Area Community Foundation is honored to help advance this good work by managing endowments for the college, sustaining Southeast Tech’s revered culture of learning by doing and ensuring the continuation of its mission, vision and values for generations to come.”

—Andy Patterson

President, Sioux Falls Area Community Foundation
