Student ID Number

Thank you for submitting your application to the RN, AAS program at Southeast Tech! Prior to starting the RN courses, students must successfully complete the following prerequisite courses: Chemistry, Physiology, Microbiology and a social sciences course.

Students can either take these courses at Southeast Tech or transfer some/all of these credits from a previous college or university. Students must earn a "C" or better in all prerequisite courses in order to enroll in any "NURS" prefixed courses.

Transferring Courses:

Physiology and Microbiology MUST have been completed within seven years of starting the RN specific classes. In order to transfer credits to Southeast Tech, students need to provide Southeast Tech with an official, sealed copy of their transcripts from the Registrar of the institution they obtained the credits. Only credits completed with a grade of "C" or better from an accredited institution are eligible for transferability. All transfer credits are subject to review and approval by Southeast Tech's Registrar.

Taking General Courses at Southeast Tech:

Students may take some or all of the prerequisite courses at Southeast Tech by enrolling in the semester prior to the program start date. For example, this may mean taking the general courses in the Fall semester (August), and starting the RN program courses in the Spring semester (January).

Please check the boxes below indicating your plan for the prerequisite courses:

Social Sciences Credit		<input type="checkbox"/> Transfer this course/complete	<input type="checkbox"/> Take at Southeast Tech
Physiology	PHGY 210	<input type="checkbox"/> Transfer this course/complete	<input type="checkbox"/> Take at Southeast Tech
Microbiology	MICR 231	<input type="checkbox"/> Transfer this course/complete	<input type="checkbox"/> Take at Southeast Tech
Chemistry	CHEM 106	<input type="checkbox"/> Transfer this course/complete	<input type="checkbox"/> Take at Southeast Tech

Based on the information above, the following statement best describes my program plan:

- I have completed the all of the prerequisite courses and plan to start directly into the RN program.
- I have not completed one or more of the prerequisite courses and plan to attend a semester before the RN program begins.
